

# Learn How To Write an SEO Optimized Article a with Few Clicks

Richard Ryan

First you will need a couple Tools

1. A subscription to Chat Gpt so you can use GPT-4
2. Neuron Writer you can get from AppSumo

Step 1. Click New Query and Type your keyword into the Neuron Writer App it will proceed to scrape the internet for the top ranking sites for that keyword.

Click on your highlighted keyword in blue Then you use those ten sites or pick your own. This may take a minute or two.

Step 2. Choose the competitors for guidelines generation. Click Next

Step 3. Look at the right side of the screen you will see (Terms in Article), scroll to bottom of screen you will see (Copy all visible terms to clipboard) click once and scroll to top. Click (List of Terms) this

will copy all the LSI keywords you will need to write the article.

Step 4. Copy this prompt

Write a 2000 word blog post titled "Keyword" with H2 headings for each section AND use ALL of the following keywords:

[add list of your article keywords/article terms here]

continue writing article

Step 5. Paste your keyword where it says "Keyword" and Paste all your LSI keywords where it says:[add list of your article keywords/article terms here]

Step 6. Now that you have added your article keyword and LSI keywords to the prompt, Copy it and paste it into Chat GPT-4 make sure your using GPT-4

Step 7. Click send and GPT will start writing your article, but it wont finish it so type when it finishes:

continue writing article

when it stops then type

Table of Contents

when it stops then type

FAQ

Step 8. Now copy your entire finished article and paste it into the left blank side of Neuron Writer this will give you an optimized score.

Step 9. Take the title of your article and click Meta and Paste it in where it says title.

Step 10 Copy your Title go back to Chat GPT-4 and tell it to write a description for your title, Copy your description and paste in description box click save

Step 11. Now you should have a very high score play with the keywords enough and you will have the highest score, most times this will not be necessary.

This Formula works very well and highly optimized articles will only cost you pennies on the dollar and save you 10x in time.

Thanks for subscribing, I will do my best to continue to over deliver.
